

Our "Lenten Journey" ... in support of St. Mary's Food Cupboard.

This year our Lenten Offering will go to St. Mary's Food Cupboard. St. Mary's was created as an emergency food cupboard 15 years ago, and relies on the donations from churches, schools, organizations and individuals to serve the needs of the less fortunate. Last year, over 12,000 clients received food to help them with the challenge of feeding their families regardless of nationality, place of residence or religious affiliation.

We can make a difference ... each Sunday during Lent we will be collecting cash donations. We will start a foot path beginning at the back of the church ... every \$5 of donations will add one foot print to the pathway. Our goal ... to reach the Altar by Easter Morning!

What can you do ...

... bring your loose change weekly for the "Food Cupboard Jar" - just \$4 buys the staples for two people for 3 days

... use one of the special envelopes to make a donation (receipts issued for donations of \$10 or more)

Donations will be counted weekly and the footsteps added to the path!
